

# Onsite flu shot clinics with local retailers.

Helping your employees stay healthy and productive through flu season just got easier.

**Now, more than ever, it is important to keep your employees healthy.**

The good news is one simple vaccine is all it takes to help protect from the flu all season long. As an integrated client your covered members can use their pharmacy benefit for vaccine coverage at any of the Vaccine Network pharmacies below. If you are interested in offering an onsite flu event, please reach out to any of our local Vaccine Network pharmacies to understand interest and availability. You will need to work directly with your preferred retail pharmacy to schedule, host and oversee an onsite vaccination event.

**Help keep your employees and your bottom line healthy this flu season.**
