Open Enrollment

If you do not elect to participate when initially eligible, you may elect to participate at the policyholder's next enrollment period, which normally coincides with the policy anniversary date.

LASIK Advantage

Your dental plan includes a feature called LASIK Advantage which provides benefits for LASIK and related procedures, including standard LASIK, custom LASIK, LASIK with Wavefront Technology, CustomVue LASIK, LASIK with IntraLase technology and Photorefractive Keratectomy (PRK).

As a participant in the dental plan you earn a lifetime LASIK benefit per eye over time. The benefit amount increases over a four year period, with the highest benefit provided in year four. Benefits are earned for each eye.

If you and/or your eligible dependents are late entrants as described above, you and/or your eligible dependents must wait 12 months from enrollment to be eligible for LASIK coverage; after 12 months the LASIK benefit starts at the year one amount.

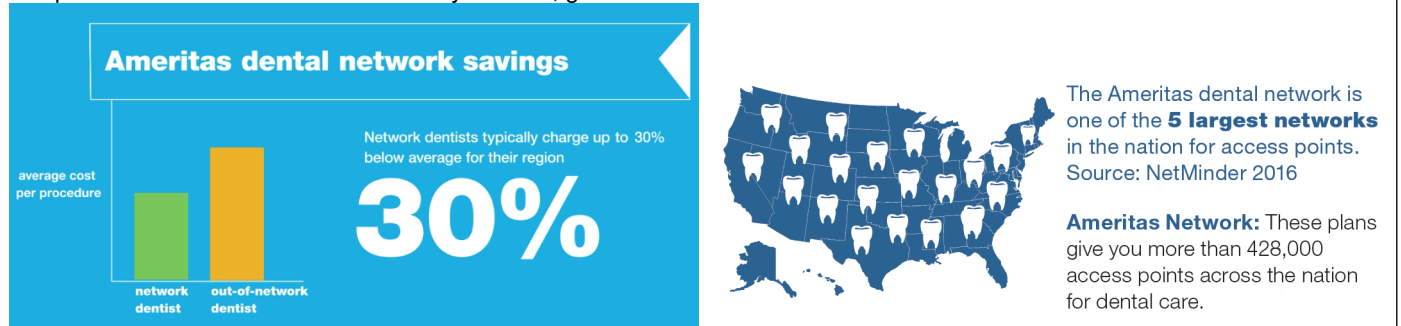

The LASIK Advantage benefit is available to participants age 18 and older.

This benefit offers choice! Any specialist can be chosen, as there is no network tied to this coverage.

Lifetime Benefit Earned per Eye:	Year One	Year Two	Year Three	Year Four
	\$100	\$200	\$300	\$500

Provider Flexibility and Network Savings

Members aren't limited to one particular dentist, or a small group of providers, who may or may not be taking new patients. Each plan member is free to visit any provider they choose, including your current dentist, regardless if they are in- or out-of-network. And family members do not have to see the same dentist. When you visit an in-network dentist there are no claim forms to complete. For a list of network dentists in your area, go to Find A Provider at ameritas.com.

Late Entrant

We strongly encourage you and/or your dependents to sign up for coverage when you are initially eligible. If you choose to enroll after initially declined, you and/or your eligible dependents will be considered a Late Entrant. Covered expenses will not include and benefits will not be payable in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application. After 12 months, you will have access to all of the plan's benefits.
